\* Standard on -E models • <sup>(1)</sup> All Regulators "J3" options ship with a gauge installed • <sup>(2)</sup> Standard throttle lever • <sup>(3)</sup> 3XX remote pilot pendent  
<sup>(4)</sup> 4XX remote pilot lever throttle • <sup>(5)</sup> Fits all throttle options

Control Exhaust (top) and Motor Exhaust (bottom)

Lubricator, Regulator, Filter

**NOTE:** For protection during shipment and due to the wide range of installation variables the air line accessories are not installed on the units at the factory. All "J" accessories are shipped loose for client installation. While no mounting hardware is supplied to attached accessories to the winch some basic fittings are included to facilitate assembly of the selected "J" option accessories to one another.
